## CONVERSATION STARTER

- Have you ever had to drink some really nasty medicine that you didn't want to take? What is the most disgusting medicine you have ever taken?

## DIG DEEPER

- Read Matthew 26:36-46. What does Jesus mean when he says, "Let this cup pass from me?"
- The cup that Jesus had to drink was unlike any cup anyone has ever had. Why did Jesus have to die?
- Do you think going to the cross was easy for Jesus? Why did he do something that was so hard? Read Hebrews 12:2 and John 3:16.
- Even though the suffering Jesus was about to go through would be terrible, Jesus still obeyed the Father. What can we learn from Jesus about obedience to God? What should we do when we feel like it is too hard?

## PRAYER TIME

- Spend some time thanking God for sending his Son to pay for our sins. He drank the cup that we were not able to drink so that we who believe can have new life in him. Pray for any prayer requests you have as well.
