Practice colors and shapes using a fun hopscotch activity.

Materials Needed:

- Colorful construction paper
- Scissors
- Jar or baggie
- Tape

Directions

- Cut various shapes (large in size) of various colors out of the colorful paper. (10 or more makes it more fun) Cut two of each shape.
- Cut a corresponding smaller shape to match each large shape. Fold these up and place in the jar or baggie to draw from.
- Once all shapes are cut, tape them to the floor, sidewalk, drive way or in the garage on a rainy day.
