Galatians 6:1-10

1. Read Galatians 6:1-10. According to this passage, how should we deal with situations where other believers fall into sin?
2. Do you think this passage refers to how we should deal with believers who fall into ANY sin? If not, how should we decide when we need to approach someone in this way and when we do not need to?
3. Can you think of an example where you have seen someone confront a believer who has fallen into sin well? What did it look like?
4. What does it look like to bear one another's burdens?
5. Why do you think Paul feels the need to exhort the Galatians to share in all good things with those who teach the word?
6. How does this passage encourage you to do good works?
7. Why do you think Paul emphasizes doing good works to those in the church?
8. Write everyone's name down on a slip of paper and put it in a hat. Have everyone draw one name out. Let the leader know if you draw your own name. Whoever's name you draw, come up with one creative way to do good to that person this week. Bonus points if they never know it is you.
