Read Nehemiah 9.

1. What is being recounted in chapter 9?
2. Why do you think the people came together for confession of sin? (hint: think chapter 8)
3. Take your time and see how many characteristics of God are mentioned in the chapter. (FYI, there are at least 34, see if you can find more!).
4. Now find all the descriptions of Israel in the wilderness (there are at least 13, see if you can find more!).

Read vs. 36

5. The Israelites had been delivered from slavery in Egypt and now they are slaves again! How did this come about?
6. Relate this verse to many Christians.
 - What are we enslaved to?
 - How does this reflect on the salvation that is ours in Christ?
