Galatians 4:8-11

1. What was Paul's main issue with the churches in Galatia?
2. Are there times in your life when you struggle with the same things the Galatians were dealing with? What does this look like in your life?
3. What patterns can you recognize in your life that show you are trusting in your own good works instead of Jesus?
4. How does the fact that you are known by God give you reassurance today?
5. How can you continue to battle the lies of the enemy and remind yourself of the position you have before God in Christ?
