

# Philippians

TO LIVE IS CHRIST

## LOOK BACK

*Care for one another*

1. How are you? Share a *highlight* and a *challenge* from your week.

*Accountability*

2. How did you grow this week? Did you pursue and obey Jesus? In what way?

## LOOK UP

1. Read Philippians 4:10-13
2. We have more financial prosperity than any culture in history. Why is it that we have so much anxiety?
3. How was Paul able to be content whether in financial need or financial plenty?
4. Do you think that this is something that the modern Christian community needs to understand today?
5. How was Paul able to face both prosperity and want?
6. How is v.13 taken out of context more often than not?
7. Read 4:14-20
8. Paul speaks of the "fruit that increases" to the Philippians credit. What does he mean?
9. What had Paul received from the Philippians? Was it a large amount or small?
10. How would you interpret v.19 in light of the context?
11. Read 4:21-23
12. What do you make of v.22? How far had the gospel gone?
13. What is your main take away from Philippians?

## LOOK FORWARD

1. What from Philippians 4:10-23 personally shapes how you see the upcoming week?
2. What from Philippians 4:10-23 do you need to obey this upcoming week?
3. How can the group be praying for you this week? (End in prayer)
