Recap of Nehemiah

1. Nehemiah 1:1-4 - What was the burden Nehemiah felt? What is your burden?
2. Nehemiah 2:1-8 - Looking for opportunity. - Are you looking for opportunities that God is placing before you to fulfill your calling?
3. Nehemiah 2:9-18 - Nehemiah actually did something. He didn't sit around and talk about what needed to be done, he took action. What action do you need to take in order to fulfill your calling as a Christ-follower?
4. Nehemiah 2:17-20 - The lesson to be learned here is that Nehemiah incorporated help. Are you trying to be a lone ranger and do the work God has called you to by yourself?
5. Nehemiah 2:17-20 (again) - Nehemiah had decided to move forward because God was acting on their behalf NOW. Are you responsive to the activity of God and moving forward in faith?
6. Nehemiah 3 - The people of Nehemiah's day needed reminding that rebuilding the wall was more than just stacking rocks. Currey Creek is more than just having meetings on Sundays! Why are you doing what you are doing relative to the kingdom of God?
7. Nehemiah 4-5 - You will face opposition as you seek to live out God's purposes for your life.
