The History of Redemption

1. What were your thoughts on the morning as a whole?
2. Was there a particular part in the video that stood out to you?
3. What do you think the story of the Bible is all about?
4. Did the video change the way you view the Bible as a whole at all? If so, how?
5. What is your part in this story?
6. Are you living as one who is redeemed and walking with God, living for God? Or are you still living in sin and far from God? If you are not living as one who has been reconciled to God, what is holding you back?
7. How did the video encourage you? How did it challenge you?
