Read Nehemiah 10.

1. The people entered into a curse and an oath, why? When would the curse come into effect?
2. Would you ever take it upon yourself to pronounce a curse upon yourself if you failed to hold up your end of the bargain? (See Galatians 1:8)
3. Name the specific commandments the people were committing to observe and do?
4. What were the contributions the people committed to give? Why were these contributions important?
5. What collection was made and why (v.38)?
6. What were the people taking care of? Why?
7. What application can you make to your own life from the principles and precepts gleaned from this study?
