

## *“Born Again”*

### **Opening Discussion:**

Share a time when you walked along or witnessed someone come to know Christ as their Savior. What did that do for your faith and how did you see them live that out?

### **Small Group Discussion Questions:**

1. Read John 3:1-8: As a Pharisee Nicodemus would have stressed law observance and the traditions of the Elders as the means of salvation. What does Jesus say to counteract that?
2. What 'laws' do people try to follow for salvation today? What are YOU trusting in for salvation?
3. Read vs. 3: We can think of the kingdom of God as a reign rather than a realm. It is God's reign in action. How then are you a part of the kingdom of God?
4. Read vs.4,5: The emphasis in these verses is on the activity of the Spirit. What must the Spirit do in the life of a person? What can we add to this process?
5. Read vs.6,7: Discuss the following. "The flesh can only give rise to flesh. There is no evolution from flesh to spirit."
6. Read vs.8: How is the activity of the Spirit in salvation like the wind?

### **Prayer Time**

1. Without gossiping, take some time as a group and begin to pray for people who do not know the Lord.
2. Pray for each other that we would be bold enough to share our faith this week to them.
